## **Overnight Lane Closures, Intermittent Stops on the Edens Expressway under Lake Avenue**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that overnight lane closures and intermittent stops will take place on the Edens Expressway (Interstate 94) under Lake Avenue, in Wilmette, weather permitting, Saturday, September 24. The closures are necessary to remove and replace a damaged bridge beams.

Starting at 9 p.m. Saturday, the inside lane of the northbound and southbound Edens Expressway will be closed until 10 a.m. Sunday, with the center lane closing from midnight to 8 a.m. Full traffic stops will take place in 15-minute increments from 1 a.m. to 7 a.m. The entrance ramps from Lake Avenue to the Edens Expressway also will be closed.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
